

A RESOLUTION ADOPTING A FINAL PROJECT PLANNING DOCUMENT

FOR WATER WORKS SYSTEM IMPROVEMENTS

AND DESIGNATING AN AUTHORIZED PROJECT REPRESENTATIVE

WHEREAS, the City of Brown City recognizes the need to make improvements to its existing water works system; and

WHEREAS, the City of Brown City authorized Fleis & VandenBrink to prepare a Project Planning Document, which recommends the replacement and upsizing of 4" and 6" water main, water main looping, lead service line replacement, arsenic filter media removal and replacement, and new residential water meters and meter reading system.

WHEREAS, said Project Planning Document was presented at a Public Meeting held on May 30, 2023 at 7:05 pm and all public comments have been considered and addressed.

NOW THEREFORE BE IT RESOLVED, that the City of Brown City formally adopts said Project Planning Document and agrees to implement the selected alternative:

Alternative 1 for water main replacement and upsizing, including lead service line replacement, and water main looping.

Alternative 2 for residential water meters & meter reading system and arsenic filter media replacement.

BE IT FURTHER RESOLVED, that the City Manager, a position currently held by Chuck Bennett, is designated as the authorized representative for all activities associated with the referenced above, including the submittal of said Project Planning Document as the first step in applying to the State of Michigan for a Drinking Water State Revolving Fund Loan to assist in the implementation of the selected alternative.
